## School Uniform Policy

Date agreed: May 2025  
Review date: May 2026

The School uniform was designed especially for the opening of the new Primary School. Every child is required to wear full uniform in line with the Primary School Uniform Policy.

We expect all pupils to wear school uniform and the items that constitute it have been chosen for comfort, smartness and easy care. The sweatshirts and t-shirts are white with the school emblem.

Parents will be contacted if their children are not dressed suitably and they may be asked to bring in appropriate replacements.

Jewellery should not be worn in school with the exception of watches and stud earrings.

These must be removed for Games and PE for Health and Safety Reasons

It is of the utmost importance that all items of uniform are named.

Footwear - bearing in mind Health and Safety requirements, the school will not accept the wearing of unsuitable footwear, e.g. flip-flops, jellies, mules, wedges, heelies, and strappy sandals.
