

## PTA meeting - 5<sup>th</sup> June 2024

Updates from last meeting minutes:

Ceri-Ann spoke to Year 6 staff about what the pupils would like for their leavers party and they will liaise directly with CCs.

Bag 2 School are booked in for the Autumn Term again.

Hive staff are going to do glitter tattoos at the fayre.

There is no update on soft play equipment as yet.

Current affairs:

It was decided to purchase a new game in preparation for the Summer Fayre as we have had the same things for a few years now. We decided on a basketball style one with a built-in net - like an arcade game. One was found and ordered online. We have had enquiries from an external vendor regarding supplying a Hook a Duck game. It was decided to give this a go this year to trial it, as ours is a simple small pool and has been used for years. Ceri-Ann will take bookings for stalls from external vendors -tables will cost £10 each as £5 was seen to be too cheap in comparison to other fayres/events. We don't need raffle prizes this time as we will be having a tombola instead. Members will collect items that can be used and Ceri-Ann will ask staff for donations.

Date of next meeting: 21<sup>st</sup> June 2024 for Summer Fayre preparations.
