

## Friends of Windsor Clive meeting - 2<sup>nd</sup> December 2025

(Rearranged from 5<sup>th</sup> November)

The scheduled meeting for 5<sup>th</sup> November was rearranged due to members being unable to attend due to appointments. Members have been in school to assist with Halloween disco decoration making, snack pack shopping and preparation and assisting with the set up and running of the actual disco. Members were thanked for this. We were able to order the defibrillator battery pack - although there is a nationwide stock issue so it is on back order and will be sent out as soon as they can, estimated end of January/early February!

There is still just under £100 in the fund set aside for food hampers so this does not need 'topping up' right now. No new requests have come in for funding. Our CFS manager supported with a grant application for £2000 to purchase cooking/kitchen equipment ready for use in the community kitchen area. Although there has been a delay with the work on that area, we will still be able to purchase and use the equipment in the current Family Room and across the school so that families and community members are still able to benefit from it. We revisited the shopping list made previously and Ceri-Ann will order the bulky items from Amazon and has requested members support to visit Ikea to get the rest once the Christmas fayre is over.

Ceri-Ann was able to order festive craft items and they have arrived. Members have kindly offered to come and support with setting up and running the family craft sessions.

Members have been very busy collecting raffle prizes for the fayre. We already have around 40 prizes! Members volunteered to help prepare the raffle ticket and santa's grotto letters, which due to timing have had to go out already.

Time was spent gathering and sorting Christmas fayre games and grotto decorations from the storage area so this was a shorter 'meeting'.

Date of next meeting: 5<sup>th</sup> November 2025, 2pm in the Family Room
